Gold Medal Products is proud to be associated with the agencies noted on the right. Not all equipment is listed with all agencies. Please call 1-800-543-0862 to request the agency approvals for any specific model.

Shave off more ice than you can chew with this high-volume super shaver, one of the world's most powerful. Redesigned, this shaver has a new Uni-Body construction and a quiet drive that includes a belt tensioner. Ideal for amusement parks and high turnover, it holds blocks of ice up to 10-12lb. The hinged cast aluminum door conveniently serves as a shelf, and the door safety switch protects the operator. Belt driven operation.

### Additional Features:

- Complete sheet metal revamp for a fresh
- clean and more service friendly machine
- all stainless steel construction
- designed for high-volume users - Great for Amusement Parks
- will hold a large 10-12lb block of ice
- door safety switch - to keep user safe from razor sharp diamond honed blades
- Overload Protection System - keeps user and machine safe from unexpected motor overload
- improved Shaver head/Housing design - smaller
- lighter for less drive system wear while producing the same amount of ice as its predecessor
- redesigned belt tensioner minimizes belt slippage for increased belt life - longer belt life means more production time with less downtime
- cooling fan ensures motor stays within operating temperature for maximum efficiency
- 33.5"W x 17.5"D x 29"H
- 168lbs

### Available Options:

- 1087DC - Battery Powered Version
